

Creative Spirit Arts Festival

Questionnaire

OCTOBER 21-23, 2010

Thank you so much for joining us at the Creative Spirit Arts Festival!

In the spirit of collaboration, we would greatly appreciate it if you could take some to answer the following questions (an electronic version is available at www.creativespirit.on.ca):

What are the greatest challenges facing your organization?

Would you be interested in forming a national network of art and disability organizations?

Would you be interested in organizing and participating in an annual event with art and disability organizations from across the country?

Do you think this kind of activity would be of benefit to your organization? What goals do you think such an organization could achieve on local and national levels?
